Subject: Receipt of Reclamation Surety, Color Country Rock, LLC, Vermillion Mine, S/053/0076, Washington County, Utah

Dear Mr. Fawcett:

This letter is to acknowledge receipt of your Letter of Credit with Cache Valley Bank for the reclamation surety for the Vermillion mine. Attached is a copy for your records.

The Division of Oil, Gas and Mining does not have record of receiving the annual permit fee of \$150 for 2012 or 2013. Please remit a total of \$300 prior to commencing operations to bring the permit fees current. Please be sure to indicate on your check that it is for the permit fees for the Vermillion Mine, and include the permit number (S/053/0076).

The reclamation contract previously filed with the Division needs to be amended due to the change in the surety. Please sign and return the attached addendum to your reclamation contract.

Thank you for resolving the bonding issue for this operation. If you have additional questions or concerns regarding this letter, please don't hesitate to call me at (801) 538-5261 or Lynn Kunzler at (801) 538-5310. Thank you for your response and cooperation in resolving these issues.

Sincerely,

Paul B. Baker
Minerals Program Manager
